

APPLICATION

Moisture-resistant HDF provides the most durable sublimatable surface available. The high durability and image quality make this a product suitable for flooring, headboards or any surface that endures heavy use.

MR-HDF panels are durable, made with recycled material and 100% recyclable. Because images are infused directly into specially coated sheets of MR-HDF, Infused graphics offers unsurpassed color vibrancy and durability.

MR-HDF SPECS

Sheet Size: 48" x 96" (1219,2x2438,4mm)

Thickness: .375" (9.525mm)

- » Available: Low Gloss White / Textured Coating
- » Flooring panels available in 16"x24" and 24"x24" panels
- » Fire Rating - Critical Radiant Flux – 0.32
- » Hoffman Scratch Test result of 2000 (max)

FEATURES & BENEFITS

- » Vibrant image reproduction
- » Exception detail and color resolution
- » 3D depth of image
- » Fade resistant
- » Will not yellow with age
- » Stain resistant
- » Scratch and abrasion resistant
- » Chemical resistant
 - » Can be cleaned with ammonia, bleach, acetone, rubbing alcohol, glass and all-purpose cleaners.
